

Do You Get Up
With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties.

Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.

When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co.,

Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HOGS SHOW LOSS
OF 25 CENTSWANTS OF PACKERS SEEM
TO BE FULLY SATISFIEDSheep Market Seems to Have Hit the
Top—Lack of Arrivals Causes Stationary Market—Cattle Market Is Firm—Fortyfold Wheat Selling at Better Than a Dollar.

Portland Union Stockyards, Feb. 5.

—There were scant arrivals in the livestock market today. Taken as a whole the situation is good, the only exception being the loss of about 25c in hogs. Packers' wants of hogs have been filled temporarily and they are not disposed to do any extensive buying just now. In fact buyers for hogs are hard to find even at the lower range of prices.

The cattle market is steady to firm for good stock with \$5.25 still obtainable in a limited way for A1 quality. It is in the poor quality that pressure is noted and prices are down about 25c and in some instances sales have recently been made at a reduction of 50c from former figures.

Sheep market seems to have about hit the top with yesterday's advance and the lack of supplies at this time is not causing killers to offer any higher range.

Views of the Sellers.

S. P. Gould of Gould Commission Co.—There was practically nothing to sell today, arrivals being very small. The market is all right on everything except hogs and these are weak with prices down to \$6.50@6.75 for best. Killers have a big supply on hand.

Tom Benson of T. C. Benson & Son—Very light arrivals are shown in the yards today and there is little interest in the market on this account. Demand is good and about the same for cattle and sheep, but hogs are weak with every one seemingly filled up. Poor quality is likewise shown among late hog arrivals.

Lee M. Lacey of Hunt and Lacey.—It was a lame day in the livestock market. Conditions are just about as reported yesterday with nominal run today. Hogs are quiet but other lines are holding well.

William Burke, Jr., for J. C. Loneragan—Hogs are not so active but cattle and sheep remain all right, especially for the better class of stuff. All cattle are hard to get and top prices still prevail.

Frank C. Sharkey of Sharkey Commission Co.—Only a few hogs in the yards this morning and market is very weak. Poor cattle are off about 1/2c, but good stuff is firm. Sheep are scarce again.

The following is the general range of values on stock ruling in the yards for late shipment:

Hogs—Best east of mountains, \$6.50@6.75; ordinary, 6.25@6.50; blockers and feeders, \$5.75.

Cattle—Best steers, weighing 1200 pounds, \$5.25; medium steers, \$4.50@4.75; poor steers, \$4.25; best cows, \$4.42@4.25; medium cows, \$3.50@3.75.

Sheep—Best wethers, \$5.25@5.50; ordinary wethers, \$5.25; lambs, \$5.00@5.25; straight ewes, \$5.00@5.25; mixed lots, \$5.00@5.25.

Veal—Choice young calves, \$5.50; heavy, rough, \$4.50@4.75.

Eastern Livestock Markets.

Chicago, Feb. 5.—Receipts—Hogs, 25,000; cattle, 15,000; sheep, 5,000. Hogs are steady at yesterday's close. Left over yesterday, 18,000. Receipts year ago, 44,000. Cattle steady, sheep strong.

Kansas City, Feb. 5.—Receipts—Hogs, 7,000; cattle, 2,000; sheep, 2,000.

Omaha, Feb. 5.—Receipts—Hogs, 2,500; cattle, 6,000; sheep, (—).

Fortyfold Is High.

Portland, Feb. 5.—There is a much firmer tone in the flour market. Recent purchases have been much more liberal in anticipation of another advance of 25c a barrel in the price. Millers are on the fence regarding any future movement of prices, but say that considering the price of wheat the present flour market is low. On the other hand there has been a considerable decrease in the consumption of flour since the prices became so high and if values go still higher it is a question where millers will unload their supplies.

In an expert way there is nothing at all doing in the flour market. Business has continued quieter this season than for any period of like duration since oriental flour business became established.

Wheat market is firm but nominal with reports of sales around top prices. It is stated that one lot of fortyfold has been sold during the past 24 hours at \$1.01 a bushel. The big people who have all the wheat are buying a lot here and there when possible but are not talking much of any advance.

So far as coarse grains are concerned there is no change in the situation, all values being held firm.

Weakness Abroad.

Chicago, Feb. 5.—Weakness abroad caused a mixed tone at the opening of the wheat market here today. May starting 1/4c lower at 109 5/8, July unchanged at 98c and September 1-8c lower at 94 3/8c.

The buying of a large line of wheat yesterday by the Armour Grain company, in answer to its advances from abroad, had no effect upon today's market and during the session there was just the range at the most. This was in the May, the other options showing a range all day of but 1-2c to 5-8c.

Cash wheat sales—No. 2 red, \$1.10@1.13; No. 2 hard, \$1.07@1.10; No. 3 hard, \$1.05@1.08; No. 2 northern spring, \$1.11@1.12; No. 3 northern spring, \$1.05@1.10 per bushel.

Idleness makes the hours wearily long and the days woefully short.

NEGRO WAITERS TO GO.

White Servants Being Imported by Atlantic City.

Atlantic City, N. J.—The arrival here of a special train from Boston bearing 250 waitresses to replace negro waiters at a local hotel has spread consternation among the darkies. It is predicted that several of the hotels will import young white women and that practically all the negro waiters will soon be thrown out of employment. Insignificant though the change in waiters may appear, an exodus of negroes would mean a marked change in the political complexion of Atlantic City, for the negroes have long held the balance of political power in the city. Republican machine leaders are not in favor of the new move.

Hexamethylenetetramine.

The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical textbooks and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities, and avoid a serious malady. Pendleton Drug Co.

NORWEGIAN WATER POWER CONCESSIONS

Consul Felix S. S. Johnson, of Bergen, recently made a report on the proposed new laws for the regulation of the development of waterfalls in Norway. The government has submitted further changes in these laws, of which a synopsis in English is now forwarded by the consul and are on file for public inspection at the Bureau of Manufacturers.

The Bureau of American Republics announces that a department of parcels post, in charge of the warden of the custom-houses at Limon, Costa Rica, has been established for the purpose of receiving and dispatching direct postal parcels addressed to Limon, after the payment of the respective duties. This arrangement will facilitate the parcels-post business of the port of Limon.

Pneumonia Follows La Grippe.

Pneumonia often follows la grippe but never follows the use of Foley's Honey and Tar, for la grippe coughs and deep seated colds. Refuse any but the genuine in the yellow package. Pendleton Drug Co.
